May it please Your Majesty,

Two 'toaster' Yealink T27 Internet phones are en route via DHL: 1320121670 to:

The Sandringham Estate  
Estate Office  
Sandringham  
Norfolk  
PE35 6EN

Tel: 01485 545400  
Fax: 01485 541571

A directory has been programmed into the phones with the extensions.

These two via DHL are for William and Harry, there are five more that will be ready tomorrow for Your Majesty and other members of the Royal Family.

We are sure they will want to test it out and we would appreciate a call. It would be useful for James Davidson to be given a call with any further extensions that may be needed.

We have not yet sent that draft as a final. Mahakali has shown us the difficulties it has created in those who have a "I'll bring my guns" mentality that Lord Maynard Keynes poured subtle British scorn on, while discussing President Wilson amidst the Witches of all Paris.

Perhaps what we have been shown is relevant to Charles. Guns, magic and sophistry are no substitute for humility before God's grace. Transiting Uranus opposite natal Venus - exact; natal Venus conjunct Neptune on the nadir show there is the possibility of a sudden shift to a higher point of view and sudden travel/relocation.

The delay and this information might create the space for such a change of heart in Charles.

We suggest that William and Harry give us a call when the phones arrive. James Davidson would like a call to know that they are working and he can proceed with the rest. The only thing they have

to do is to plug into power and wired Internet and wait for the VPN sign to come on.

We send our love to YHVH for Your Majesty!

Yours faithfully,

Joseph Ray Sundarsson
